PROFILE

Sydney radio announcer and content creator experienced across Drive, Breakfast, music direction, podcasting and audio production. Strong in daily original content, live presentation, audience engagement and fast-turnaround production, with a technical background that supports efficient workflows and problem-solving.

Strengths: Live presentation | Content research & writing | Audio production | Podcast production | Fundraising appeals | Music direction | Copywriting | Audience engagement

SELECTED IMPACT

- **Drive content** - Own the daily research, writing, production and live delivery of a four-hour Sydney Drive program; recent audience research showed an upward trend while most comparable shows were stable.
- **Podcast** - Created, wrote, hosted and produced the 10-episode The New Christian; edited most episodes in Reaper, created artwork in Canva and published via Omny Studio. At least 2,609 downloads recorded.
- **Fundraising** - Turn campaign playbooks into live appeals, record interviews and rapidly produce reusable clips for other announcers and dayparts during major station appeals.

INDUSTRY EXPERIENCE

HOPE 103.2 - SYDNEY

SEP 2024 - PRESENT

Announcer / Content Creator - Weekday Drive

- **Daily show** - Produce, research, write and present a four-hour weekday Drive program with a high volume of original light, uplifting and audience-focused content.
- **Audio production** - Record and edit interviews, features and fundraising material; shape content for immediate on-air use and wider station reuse.
- **Workflow** - Continually refine content production using Workflowy, Microsoft 365 and AI-assisted tools to make research and preparation faster and more consistent.

MAX 1073 FM - TAREE

MAR 2023 - SEP 2024

Breakfast Announcer / Music Director

- **Breakfast & music** - Hosted Breakfast, managed music direction, trained announcers, filled in on production and voiced commercial material.

1287 2TM & 92.9 FM - TAMWORTH

DEC 2020 - MAR 2023

Announcer / Copywriter

- **Multi-skilled role** - Hosted 2TM Afternoons and worked across copywriting, News, Production, Breakfast and Music Direction, with occasional IT support.

100.9 PORT STEPHENS FM

MAR 2020 - NOV 2020

Drive / Breakfast Announcer

- **Presentation & training** - Presented Drive and Breakfast programming and trained new announcers.

EARLIER BROADCAST EXPERIENCE

COMMERCIAL RADIO INTERNSHIPS

2017

2BS Gold / B-Rock FM; Power FM Muswellbrook

- **On-air & production exposure** - Assisted Drive, Breakfast and sport programming; worked mid-dawns/weekend music, wrote/read news and copy, and voiced commercials.

AFTRS TRAINING BROADCASTS

2017

NEXT; 2RS; AFTRS FM

- **Broadcast roles** - Drive and workday announcing, news reading, segment production, audio production and music direction across AFTRS broadcast stations.

2RRR 88.5 FM

JUN 2011 - JUN 2014

Host / Co-host

- **Community radio** - Hosted and co-hosted programs including Australian music content.

SELECTED PROJECTS & CAPABILITIES

The New Christian: Original 10-episode concept with end-to-end editorial ownership: season structure, research, writing, hosting, editing, artwork and publishing

Digestible Soda: Creator of an AI-assisted RSS-to-digest workflow designed to speed content discovery and preparation

Technical versatility: Advanced Linux user with practical troubleshooting skills and nine years of earlier enterprise IT experience

EDUCATION

Graduate Diploma of Radio Broadcasting: Australian Film Television and Radio School, 2017 - announcing, producing, news reading and studio operations

Additional: Advanced Diploma of IT (Systems Administration), TAFE NSW St George | ITIL v3 Foundation | Bachelor of Science (Chemistry), UNSW

EARLIER PROFESSIONAL BACKGROUND

Nine years with Fuji Xerox Australia across technical support and remote implementation, plus earlier small-business IT work. This background supports technical troubleshooting, systems thinking and confidence working with broadcast technology.
