- Podcast production
- Audience engagement
- Music direction
- Copywriting
- Fundraising appeals

AUDIO & CONTENT TOOLS

Reaper / Pro Tools / VoxPro

NexGen / NewsBoss / PhoneBox

Omny Studio / Canva

Microsoft 365 / Workflowy

PROFILE

Sydney radio announcer and content creator with experience across Drive, Breakfast, music direction, podcasting and audio production. Strong in live presentation, original daily content, audience engagement and fast-turnaround production.

SELECTED IMPACT

- **Drive content** - Own the daily research, writing, production and live delivery of a four-hour Sydney Drive program; recent audience research showed an upward trend.
- **Podcast** - Created, wrote, hosted and produced the 10-episode The New Christian; edited most episodes in Reaper and published via Omny Studio. At least 2,609 downloads recorded.
- **Fundraising** - Turn campaign playbooks into live appeals, record interviews and rapidly produce reusable clips for other announcers and dayparts.

INDUSTRY EXPERIENCE

HOPE 103.2 - SYDNEY

SEP 2024 - PRESENT

Announcer / Content Creator - Weekday Drive

- **Daily show** - Produce, research, write and present a four-hour weekday Drive program with original, light and audience-focused content.
- **Audio production** - Record and edit interviews, features and fundraising material for immediate on-air use and wider station reuse.
- **Workflow** - Use Workflowy, Microsoft 365 and AI-assisted tools to make research and preparation faster and more consistent.

MAX 1073 FM - TAREE

MAR 2023 - SEP 2024

Breakfast Announcer / Music Director

- **Breakfast & music** - Hosted Breakfast, managed music direction, trained announcers, filled in on production and voiced commercial material.

EDUCATION

Graduate Diploma of Radio
Broadcasting
AFTRS, 2017

Advanced Diploma of IT
(Systems Administration)
TAFE NSW St George

ITIL v3 Foundation

Bachelor of Science (Chemistry)
UNSW

ON-AIR RANGE

- Drive
- Breakfast
- Workday / Afternoons
- News
- Music direction
- Interviews & features

- **Presentation & training** - Presented Drive and Breakfast programming and trained new announcers.

EARLIER BROADCAST EXPERIENCE

COMMERCIAL RADIO INTERNSHIPS

2017

2BS Gold / B-Rock FM; Power FM
Muswellbrook

- **On-air & production exposure** - Assisted Drive, Breakfast and sport programming; worked mid-dawns and weekend music; wrote/read news and copy and voiced commercials.

AFTRS TRAINING BROADCASTS

2017

NEXT; 2RS; AFTRS FM

- **Broadcast roles** - Drive and workday announcing, news reading, segment production, audio production and music direction.

2RRR 88.5 FM

JUN 2011 - JUN 2014

Host / Co-host

- **Community radio** - Hosted and co-hosted programs including Australian music content.

SELECTED PROJECTS

The New Christian - Original 10-episode concept with end-to-end editorial ownership: season structure, research, writing, hosting, editing, artwork and publishing.

Digestible Soda - Creator of an AI-assisted RSS-to-digest workflow designed to speed content discovery and preparation.

Fundraising content - Live audience appeals, interview recording and rapid-turnaround reusable audio during major station campaigns.

EARLIER PROFESSIONAL BACKGROUND

Nine years with Fuji Xerox Australia across technical support and remote implementation, plus small-business IT. Supports troubleshooting, systems thinking and confidence with broadcast technology.
