PROFESSIONAL PROFILE

Sydney radio announcer and content creator with experience across Drive, Breakfast, workday and specialist programming. Strong in daily content development, live presentation, audio production, podcasting, music direction and audience engagement, with an earlier technology background that supports practical problem-solving and efficient production workflows.

Broadcast strengths: Live presenting | Content research and writing | Audio production | Podcast production | Fundraising appeals | Music direction | Copywriting | News | Audience engagement | Training

Production tools: Reaper | Pro Tools | VoxPro | NexGen | NewsBoss | PhoneBox | Omny Studio | Canva | Microsoft 365

INDUSTRY EXPERIENCE

HOPE 103.2 - SYDNEY

SEP 2024 - PRESENT

Announcer / Content Creator - Weekday Drive

- Produce, research, write and present a four-hour weekday Drive show for Sydney, developing a high volume of original light, uplifting and audience-focused content.
- Recent audience research showed an upward trend for the program, one of only a small number of shows to increase while most were stable.
- Contribute to major station fundraising appeals, using campaign playbooks and set themes to craft live appeals in real time and maintain an authentic connection with listeners.
- Record live appeal interviews and rapidly edit clips for reuse, including preparing shared audio assets for other announcers and dayparts.
- Conceived, researched, wrote, hosted and produced the 10-episode podcast The New Christian; edited most episodes in Reaper, directed the imaging concept, created artwork in Canva and uploaded episodes through Omny Studio. At least 2,609 downloads recorded.
- Produce and edit interview and feature audio for broadcast and continually refine content workflows using Workflowy, Microsoft 365 and AI-assisted tools.

MAX 1073 FM - TAREE

MAR 2023 - SEP 2024

Breakfast Announcer / Music Director

- Hosted Breakfast and managed music direction.
- Trained announcers; provided production fill-in and voiced commercial material.

1287 2TM & 92.9 FM - TAMWORTH

DEC 2020 - MAR 2023

Announcer / Copywriter

- Hosted 2TM Afternoons and wrote commercial copy.
- Filled in across News, Production, 2TM Breakfast and Music Direction, with occasional IT support.

100.9 PORT STEPHENS FM

MAR 2020 - NOV 2020

Drive / Breakfast Announcer

- Presented Drive and Breakfast programming and trained new announcers.

EARLIER BROADCAST EXPERIENCE

2RRR 88.5 FM

JUN 2011 - JUN 2014

Host / Co-host

- Hosted and co-hosted community radio programs, including Australian music content.

SELECTED PROJECTS AND CAPABILITIES

The New Christian: Original 10-episode podcast concept; end-to-end editorial ownership from season structure and research through writing, hosting, editing, artwork and publishing

Fundraising: Live campaign communication, rapid interview capture/editing and reusable audio production from station appeal playbooks

Workflow and AI: Creator of Digestible Soda, an AI-assisted RSS-to-digest content workflow designed to speed up content discovery and preparation

Technical versatility: Advanced Linux user with practical troubleshooting skills and earlier enterprise IT experience

EDUCATION

Graduate Diploma of Radio Broadcasting: Australian Film Television and Radio School, 2017 - announcing, producing, news reading and studio operations

Advanced Diploma of Information Technology (Systems Administration): TAFE NSW St George, 2010

ITIL v3 Foundation: EXIN, 2011

Bachelor of Science (Chemistry): UNSW, 2003 - philosophy minor

EARLIER PROFESSIONAL EXPERIENCE

Nine years with Fuji Xerox Australia across technical support and remote implementation, plus earlier small-business IT work. This background supports technical troubleshooting, systems thinking and the ability to work comfortably with broadcast technology.
